SPEAKER

Caryl Matrisciana will be the Women's Retreat speaker at CRC this year. Caryl is the author of "Out of India", a fascinating and compelling apologetic biography describing the dangerous and deceptive spirituality that lies behind the New Age movement. Using Scripture, Caryl will help us separate truth and lies.

Born and raised in India, Caryl saw first hand the effects that Hinduism had on the people of that nation. After leaving India as a young adult, Caryl became involved in the counter culture, only to find that elements of Hinduism and the New Age were very much the same.

Caryl Matrisciana is a producer, film maker and well-known expert on ancient and modern world religions, contemporary cults, paganism and the occult. A best-selling author, journalist, researcher and commercial artist, Caryl has co-produced or contributed research and expertise to more than 55 documentaries in the past 30 years.

Caryl has been a frequent guest on numerous national and international television and radio programs, and is an informative and articulate public speaker. Her topics have covered enormous diversity and reveal today's cultural trends and social issues with a special emphasis on supernatural themes, contemporary religious views and the "New Age Movement".
